ABOUT ME

I have a passion for finance and accounting. With strong calculation, logical thinking, good base of finance and experiences in customer care. I can do well with financial jobs, process data accurately, analyze finance, and work with clients.

I am careful and detail-oriented. I always seek to learn new knowledge and improve my skills. I hope to work in a professional and dynamic environment where I can gain experience, develop myself, and contribute to the company's success.

EXPERIENCE

Intern (Credit Assistant) Joint Stock Commercial Bank For Foreign Trade Of Vietnam

- Jul 2024 - Nov 2024
- + Assist the credit department in analyzing risks from loans, evaluating customers' repayment ability, and ensuring compliance with legal regulations.
- + Participate in supporting data collection, financial data analysis, and financial risk assessment to support business decisions.
- => Understanding more about the banking and finance sector also prepares for more roles in the future, such as credit specialist, financial analyst, risk controller and others relating to finance.
