- Tally: Handle import and export of goods.
- Inventory Controller: Tracking inbound and outbound goods, conducting stock counts, resolving discrepancies.

SKILLS

- Teamwork
- Time Management
- Effective Communication
- Critical Thinking

OBJECTIVE

Short-term goal

- To gain hands-on experience in logistics or warehouse operations, improve professional skills, and adapt quickly to a real working environment. From that, I will contribute to development of your company.

Long-term goal

- To build a successful career in Supply chain management, continuously enhance my expertise, and eventually take on leadership roles to drive innovation and sustainability in logistics operations.
