- Quận 4, Tp HCM

OBJECTIVE

Short-term goal: Develop specialized knowledge and skills in corporate legal compliance, including mastering commercial and contract laws and refining legal advisory skills for businesses.

Long-term goal: To become a corporate legal compliance expert with a key role in building sustainable legal strategies, contributing to the protection and optimization of company interests in all business activities.

WORK EXPERIENCE

District 1 People's Court
Feb/2023 - July/2023

INTERN

I assisted judges and court staff in case preparation, legal research, and court hearings. I gained experience in case documentation and legal drafting while participating in trial procedures and performing legal administrative tasks.

PROJECTS

Project "Asset Recovery from Corruption in Some Countries and Lessons for Vietnam"

Nov/2023 Aug/2024

FACILITY OF ADMINISTRATIVE LAW

Ho Chi Minh City University of Law

POSITION: TEAM LEADER

Define the objectives, scope, and methodology of the project; develop a specific timeline and assign tasks to team members.

CONSOLATION PRIZE IN THE FACULTY-LEVEL SCIENTIFIC RESEARCH AWARDS AT HO CHI MINH CITY UNIVERSITY OF LAW

This project contributes by studying effective asset recovery methods from various countries, providing valuable lessons applicable to Vietnam. The research results offer Vietnamese authorities a comprehensive and detailed perspective on asset recovery mechanisms used globally.

Project "Administrative sanctions for violations of responsibility for using social networking services in Vietnam services"

Nov/2022 - Aug/2023

FACILITY OF ADMINISTRATIVE LAW

Ho Chi Minh City University of Law

POSITION: TEAM LEADER

Coordinate research activities, monitor progress and quality of each team member's work, and ensure the project is conducted according to the plan.

COMPLETE THE RESEARCH PROJECT CONTENT

This project focuses on studying the legal aspects and measures for handling violations related to social media usage. It contributes to raising awareness and developing a clearer legal framework for regulatory bodies to enforce sanctions and prevent social media misconduct.

Project "Measures to ensure
therights of children with
disabilities in Vietnam"

Nov/2021 - Aug/2022
FACILITY OF ADMINISTRATIVE
LAW
Ho Chi Minh City University of
Law

POSITION:TEAM LEADER

Guarantee the project meets high standards and is completed on schedule, while preparing presentations and necessary documentation for the project defense.

WIN 3 SCIENTIFIC RESEARCH AWARDS OF THE Ho Chi Minh City University of Law

This project examines the measures ensuring the rights of children with disabilities, especially in education and healthcare. Its contribution lies in offering legislators and non-governmental organizations a deeper understanding of the needs and rights of disabled children, leading to the development of policies and support programs that are more practical and effective.
