

HUNG TRAN TUAN

FOOD SERVICE CATEGORY STAFF

In short-term (1-2 years), I aim to master the operational flow of the Food Service category, assisting the Line Manager in handling contracts, listing new items, and strictly managing aging stock to minimize waste. I will leverage Power BI/Excel to prepare accurate sales reports and monitor store execution.

Long-term (3-5 years), I aspire to advance as a Category Manager, driving the R&D of new Ready-to-Eat products and building a strong supplier network that enhances the competitive advantage of the Food Service category.

WORK EXPERIENCE

HAU GIANG & HOANG LE KHA SECONDARY SCHOOL CATERING

PURCHASING & OPERATIONS COORDINATOR

01/2024 – Present

STRATEGIC SOURCING & VENDOR MANAGEMENT

- Partnerships:** Established direct trade agreements with market leaders: Nestlé, Orion, Acecook (FMCG/Dry Food) and Vissan, Ba Huan, CP (Fresh Food) to ensure product quality and supply stability.
- Contract Negotiation:** Negotiated favorable Net 30 payment terms (30-day credit) with key distributors; successfully locked in fixed prices during market fluctuations to stabilize menu costs.
- Supplier Evaluation:** Implemented OTIF (On-Time In-Full) KPIs to evaluate supplier performance and ensure service reliability.

COST CONTROL & BUDGET OPTIMIZATION

- Cost Reduction:** Monitored daily COGS (Cost of Goods Sold); proactively sourced alternative suppliers for high-variance items, achieving a 10% reduction in material costs year-over-year.
- Market Analysis:** Utilized Power BI to track price trends of fresh produce, advising the board on bulk-buying timing to maximize profit margins.
- Bidding Management:** Led the documentation and cost analysis for the annual operating bid (2024-2025), securing the contract renewal through demonstrated cost efficiency.

INVENTORY & OPERATIONS EXCELLENCE

- Merchandise Planning:** Analyzed consumption data to optimize the product assortment (100+ SKUs), introducing high-demand items (Snacks/Toys) that increased daily revenue by 43% (3.5M to 5M VND).

WAREHOUSE ASSISTANT

10/2023 – 01/2024

WAREHOUSE OPERATIONS & 5S STANDARDS

- Coordinated daily receiving and issuing activities while implementing 5S methodology to optimize storage layout, ensuring continuous ingredient flow to the kitchen team without interruption.

STOCK INTEGRITY

- Enforced strict FIFO/FEFO (First-Expired-First-Out) rules and conducted daily cycle counts to minimize food waste, maintaining 99% inventory accuracy for financial reconciliation.

INBOUND CONTROL & QUALITY ASSURANCE

- Strictly inspected incoming goods (sensory quality, temperature) and managed food safety documentation, contributing to zero non-compliance issues during annual Health Department inspections.

VNMARTS GIFT COMPANY LIMITED

PURCHASING & LOGISTICS INTERN

03/2023 – 06/2023
