NGUYEN THI NHUNG

CHEMICAL ENGINEERING

PROFESSIONAL SUMMARY

I am a proactive and dedicated individual with a strong willingness to learn and a desire to constantly improve my professional skills. With a growth mindset, persistence, and the ability to work effectively under pressure, I strive to overcome challenges and deliver the best possible results. I am seeking an opportunity to contribute in a dynamic and professional environment where I can add real value and grow alongside the organization. With a responsible attitude, a strong work ethic, and a clear ambition for advancement, I believe I am a strong and suitable candidate for your team.

EDUCATION

Chemical Engineering | 2021-2025

Ton Duc Thang University, Ho Chi Minh City

- Relevant Coursework: Organic Chemistry, Inorganic Chemistry, Physical Chemistry, Analytical Chemistry, Chemical Engineering Principles, Thermodynamics
- GPA: 8.4/10

WORK EXPERIENCE

Research Assistant - Institute of Advanced Technology | 5/2024 - Present

- Synthesized various materials under supervision of professors for scientific projects
- Conducted measurements, analyzed experimental data, and drafted technical reports
- Participated in student research projects, contributing to design and data processing

Internship - Hiep Phuoc Thanh Production | 1/2025 - 4/2025

Chemical Engineering

- Studied the electroplating process on plastic substrates
- Visited the factory to gain practical insights into production operations
- Learned about workflow procedures, types of chemicals used in each plating bath, and their specific functions
- Participated in product sample inspections alongside the supervisor
- Observed workflow and learned chemical compositions in plating baths

Internship - Dong Nai Chemical Plant | 6/2024 - 7/2024

Chemical Engineering

- Observed chemical production lines and monitored operational parameters
- Analyzed processes and machinery functionality through direct plant visits
- Compiled a comprehensive technical report and presented findings to supervisors

ADDITIONAL INFORMATION

- Technical Skills: Project Management, Basic CAD
- Languages: English (B1)
- Certifications: Microsoft Office (Word, Excel)
